## EXPERIENCE

### **Volunteer, Boys Scout of America, Cub Scout pack 140, Illinois October 2022 – Present**

- Developing print and digital marketing materials such as brochures, Posters, and social media posts and developing the website graphics and coding for the pack.
- Taking a role as a Den Leader in the pack to coordinate the activities and help run the den meetings, organize events, and help the cubs to achieve their requirements.
- In addition, I got promoted to become a Committee member to work with the chairman committee leader to plan committee meetings, schedule conference calls, prepare and distribute minutes of meetings, and distribute the material to the committee whenever needed to keep members informed, particularly agenda material before a meeting.

### **Graphic Designer, NoName Printing & Sign, San Diego, California May 2019 – Jun 2021**

- Developing print and digital marketing materials such as brochures, catalogs, wedding invitations, book covers, magazines, posters advertisements, social media posts, and website graphics.
- Prepared illustrations or rough sketches of material to discuss them with clients and make necessary changes.

### **Graphic Designer / Founder, Vinci Arc, Erbil, Iraq / Amman, Jordan February 2008 - December 2018**

- Founded a printing house offering design services for all types of marketing materials.
- Managed a team of up to 10 employees and freelancers, and delegated tasks to ensure the flow of operations.
- Collaborated with clients to create the vision, conceive designs, and consistently meet deadlines and requirements.

### **Consultant Graphic Designer International Organization for Migration IOM (Based in Erbil) 2016 – 2018**

- Handled the design and printing of all material needed by IOM such as special banners for events, magazines, stationery, and business cards.
- 

## EDUCATION

### **Full Stack Developer Bootcamp, Full Stack Flex Program, UC San Diego Sept 2021 – Dec 2021**

- Completed a 24-week extensive program on web development learning the programming languages of HTML, CSS, JavaScript, jQuery, React.js, Heroku, Git, MySQL, MongoDB, and Node.js.
- Gained hands-on experience in handling both front and back-end coding.

### **Associate's Degree in Graphic Design, Al- Balqa'a University, Amman, Jordan 2005**

---
